“ God Always has a Ram in the bush to teach his people valuable life lessons. While working in the Barbour County School District, I met Denease Bean, soft spoken and patience. She taught me the importance of being patience. She was extremely passionate about her students and colleagues. Education has lost a jewel. She was a Special Friend- she was someone you could talk to, someone you could laugh with
‘till the tears run down your face: someone you could call on when you needed a helping hand; someone you could count on to advise & understand; someone you thought more of as each year came to its end; She was and always be my Special Friend❤️ Rest on Denease Bean🙏
