“ *Mr. Willie and Mrs Hazel's youngest son, Greg and I share children. Long after Greg and I separated Mr. Willie would stop by my house. I always invited him in, he always declined. 😊 In his quiet voice he would just ask me to send them out. He would talk to them for a while and then leave them a piece of change. He didn't have to do this but he did it anyway and I am eternally grateful. Family, continue to pray and when you are so overwhelmed with grief that you can't find the words to say, remember it is then that God listens to your heart.*
